User Introduction

Hi <*User Name*>, thank you for participating in this study.

Before we start, I'm going to give you a brief overview of the test and how it will work. I will give you a specific task to complete and then ask questions as we go along.

It's really important to know that we are only testing the app, not you. You can't do or say anything wrong here. Please feel free to let me know at any time if there's something you like, dislike, if you're confused, etc.

Also, please think out loud as much as you can. Try to speak your thoughts as you are completing a certain task.

If at any point you have questions, please do not hesitate to ask. Do you have any questions so far?

Okay, let's get started.
